MEMORANDUM

TO: Dan Wilcox, Terry Lutes, Danis Zinger, John Albsmeyer
FROM: Doug Kasamis, Acting Deputy Director, CMS BCCS
DATE: September 21, 2007
SUBJECT: End User Computing – Staff Appointment

A handwritten signature in black ink, reading "Doug L Kasamis", is written over the "FROM:" line.

Effective September 16, 2007, Mr. Greg DeBrun was assigned as the Acting Manager of the End User Computing unit that has responsibility for the support of the following State agencies: Department of Agriculture, Department of Commerce & Economic Opportunity, Environmental Protection Agency, and Department of Public Health. Greg is currently on the End User Computing team with the primary responsibility of overseeing the PC Refresh program, a duty which he will continue to perform.

Having moved to CMS within the past year, Greg has over twelve years experience at the Department of Public Health with considerable experience in project planning and process engineering in the information systems area. Greg replaces Mike Likar, who has taken another position within the CMS Property Management bureau.

Please join me in officially welcoming Greg to his new role at BCCS.
